Our family policy

When the request concerns a family, we do not charge a flat rate per person, but a reduced rate for the whole family. The package is determined according to the number of people in the family.

Our customer loyalty policy

As a way of thanking our clients for their loyalty, we always reduce our fees for proceedings brought in the same year.

Where several proceedings are necessary in a single case, we also reduce our fees for proceedings brought in the same year (a reduction of approximately 500 euros from the second proceedings onwards).
